Covenant Partners Program

What is a Covenant Partner?

A Covenant Partner is someone who shares in the vision of the Capital District School Council, as well as, serves as a sponsor and provides a monetary contribution of \$70.00 to assist in sending youth to the Annual Capital District Church School Convention.

The annual convention is funded by this Program as well as the Corporate Sponsorship Program. The convention is opened to registered participants whether or not they are members of one of the forty congregations in the Capital District. It is our goal to ensure the Annual Capital District Church School Convention continues to be **free** to all registered participants.

Each Church School at the local churches are to encouraged to invite their congregations and neighboring communities to fellowship and share a Spirit filled experience at the Annual Capital District Church School Convention.

What does the Covenant Partners money cover?
